

satcom.case PP.1570. starlink 3 | B&W transport case for Starlink Enterprise, Standard V4, Gen2 and Gen3

Description

ONE CASE, FOUR STARLINKS: One case – compatible with several Starlink generations.

The modular adapter system allows the same case to be used for different Starlink antennas. Depending on the model, adapter elements can be inserted or removed. The case adapts to the hardware – not the other way around. This reduces storage costs, simplifies processes and creates investment security. Compatible with Starlink Performance GEN3, Performance GEN2 (Flat High Performance), Standard V4 and Enterprise.

- Extremely sturdy case: polypropylene (PP) housing
- Tested according to military standards
- Airworthy: automatic pressure equalization valve
- Robust, dustproof, waterproof to IP67
- Temperature-stable from -30° C to +80° C
- Name tag
- stackable
- Two eyelets for padlocks (Ø 7 mm)
- Trolley handle
- Rubberized carrying handle
- two side handles
- Five snap locks for maximum protection
- two rolls

The Starlink devices shown and their accessories are not included in the scope of delivery.
